

Dear pupils of Blumen-Grundschule!

We are almost there: This year's Sponsored School Run will take place on **22 April 2020**.

What it is all about: You will find yourselves one or more supporters (sponsors) who are willing to give money for each lap you run. Ask your relatives (parents, grandparents, uncles, aunts etc.) or friends to support you amply. One lap will be approximately 80 metres long, each kid will run for 15 minutes. Each lap you run will be registered, and all laps will be added up in the end. Sponsors can support you by either paying a certain amount per lap (*e.g. 30 cents or 1 Euro per lap*) or by paying a fixed amount, no matter how many laps you run (*e.g. 5 Euros in total*).

Half of the money thus collected goes into your class funds. The other half will be spent for important things that are currently needed for the school or the after-school area. In the past we have purchased, for example, books, tricycles, scooters, games and toys as well as banks and tables for the schoolyard.

Once you have found one or more sponsors, please **fill out completely the sponsoring agreement** with them and give it back to your teacher **by Friday, 6 March 2020**. For starters, we have prepared three sponsoring agreements for you. If you need more, please feel free to copy them. We're keeping our fingers crossed for your search of sponsors and are looking forward to seeing you at the School Run.

Dear parents, relatives and friends!

We would like to invite you, too, to take part in this event. Sponsor the children and help keep the spirits high by cheering the runners loudly from along the route. We would be delighted if you were also prepared to help us with the **organization**, because **a lot of helping hands will be needed** for the School Run. Therefore, we would like to ask you to register in the following list and give it back to us via your class teacher.

One more **note concerning the sponsoring agreement**: It will be only AFTER the School Run that you will receive an invoice for the agreed amount. Please pay only then – i.e. NOT before or during the School Run.

During the School Run, we would like to sell **cakes, tea, coffee and cold beverages** (water, juice) for the benefit of school life. Therefore we ask you to donate sweet or savoury cakes and beverages.

Donations of cakes and beverages can be brought to the Cafeteria (House 1, basement) between 7:30 and 8:00 a.m. on 22.04.20.

However, please refrain from donating highly perishable goods like butter or cream cakes or frozen products. **Sponge or sand cakes, fruit cakes or muffins** are more suitable. It would be perfect if they could be eaten without a spoon or fork, just by hand. **Please, mark your own cake tins and containers**. You can get collect them directly after the sale or, at the latest, on the following school day.
