

Dear pupils of Blumen-Grundschule!

Soon it is time again: This year's sponsored school run will take place on **26 April 2023**.

What it's all about: You will find yourselves one or more supporters (sponsors) who are willing to donate money for each lap you run. Ask your relatives or friends to support you amply. The running course will be approximately 80 metres long and the running time will be 15 minutes. Your sponsors can support you by either paying a certain amount **per lap** (e.g. 30 cents or 1 Euro per lap) or by paying a **fixed amount**, no matter how many laps you run (e.g. 5 Euros in total).

Half of the money thus collected goes into your class funds. The other half will be spent for important purchases that are currently needed for the school or the after-school area.

As soon as you have found one or more sponsors, please ask them to **fill out the sponsoring agreement completely** and return it to your class teacher **by Friday, 17 March 2023**. For now, we have prepared three sponsoring agreements for you. If you need more, please feel free to copy them. We keep our fingers crossed for your sponsor search and look forward to seeing you at the school run.

Dear parents, relatives, friends and acquaintances!

We would like to invite you to join us. Sponsor the children and help keep the spirits high by cheering on the runners loudly from along the route. We would be delighted if you would also help us with **organizing the event** because **many helping hands will be needed** for the school run. Therefore, we would like to ask you to register in the following list and return it to us via your class teacher.

A **note concerning the sponsoring agreement:** It will be only AFTER the school run that you will receive invoices for the agreed amounts. Please do not pay until then – i.e. NOT before or during the school run.

At the school run, we would also like to sell **cakes, tea, coffee and cold drinks** (water, juice) for the benefit of school life. Therefore, we ask you to **donate sweet or savoury cakes and drinks**.

You can drop off your cake or drink donation on 26 April 2023, from 07:30 to 08:00 a.m. in front of the cafeteria (House 1, basement).

However, please refrain from donating perishable goods like cream cakes, frozen products or similar. **Sponge or sand cakes, fruit cakes or muffins** are more suitable. It would be perfect if they could be eaten without a spoon, just by hand. **Please, label your cake tins and containers**. You can collect these directly after the sale or on the following school day at the latest.
